Snow Patrol - Called Out In The Dark

```
Am
                  (Am/E)
                           F(2x)
It's like we just can't help ourselves
           Αm
                    Am/E
Cause we don't know how to back down
                    Am/E
           Αm
We were called out to the streets
           Αm
We were called into the towns
                    Am/E
                             F
           Αm
How the heavens they opened up
           Αm
                             F
Like arms of dazzling gold
          Αm
With our rain-washed histories
           Αm
                     Am/E
                             F
Well, we do not need to be told
pre chorus:
show me now, show me the arms aloft
Every eye trained on a different star
this magic, this drunken semaphore
Chorus:
We are listening and we're not blind,
This is your life, this is your time,
We are listening and we're not blind,
This is your life, \overline{\text{th}} is your time
```
